

# MIT Video Productions Virtual Event Services

Event Planning in Response to Covid-19  
November 24, 2020

# MIT Video Productions Statement

In these unprecedented times, our mission at MIT Video Productions (MVP) remains unchanged - we support the operational needs of the Institute to connect MIT students, faculty, staff and the world at large.

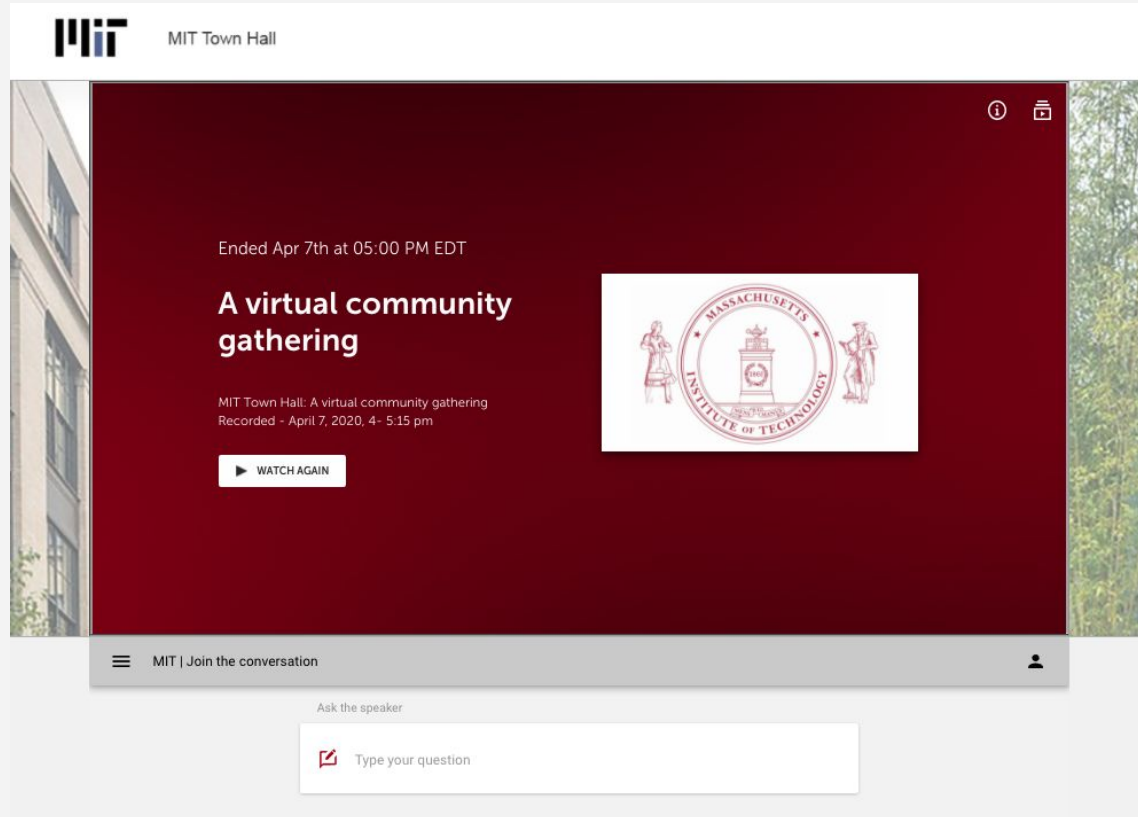

We are responding to COVID-19 by adding new streaming technologies to our service offering, enabling you to continue your work in a socially distanced and virtualized world. These new service offerings facilitate conferences, town halls, and other event-based activities for our community in support of the Institute and its partners.

When you partner with us, we will be with you every step of the way for a frictionless experience for you and your audience.

# Services offered

- Zoom Meeting and Zoom Webinar management
- Interactivity modules, Q&A, Polls, Chat features
- Customized landing web page hosting / designed to match your website
- Testing and coaching of virtual participants
- Audience view management
- High Attendance (+1000) event support (Meeting vs Streaming)
- White glove support for High Profile events
- Captioning and ASL support for inclusivity and accessibility
- Show Flow/Run of Show development and management
- High Bandwidth hosting location
- Virtual Best Practices

# Virtual Event: MIT Town Hall

The screenshot shows a video player interface for an MIT Town Hall event. At the top left, the MIT logo and the text "MIT Town Hall" are visible. The main content area has a dark red background and contains the following text: "Ended Apr 7th at 05:00 PM EDT", "A virtual community gathering", and "MIT Town Hall: A virtual community gathering Recorded - April 7, 2020, 4- 5:15 pm". A "WATCH AGAIN" button is located below the text. To the right of the text is the MIT seal. The video player is framed by a light gray border. Below the video player, there is a gray bar with a hamburger menu icon, the text "MIT | Join the conversation", and a user profile icon. Below this bar is a white box with the text "Ask the speaker" and a text input field with a red question mark icon and the placeholder text "Type your question".
